RIPLEY CENTRAL SCHOOL

RIPLEY, NEW YORK

MR. GEORGE WOOD

To you, Mr. George Wood, as high school science teacher, past homeroom advisor, advisor for the Saturday night activities, hall superintendent, advisor for the legislature, now the Student Council, we, the Class of 1963, dedicate this VINTAGE.

Your twelve years of teaching at Ripley have influenced the lives of many students. By helping to revive the honor roll and organize the National Honor Society, you have encouraged many students to raise their academic standards. And as advisor for the Student Council, your innumerable hours supervising the sales of tickets were necessary for Ripley to have gained recognition in sports.

It will be with respect and joy that we will remember you, your classes, and the labs. We can be grateful for your making our school a better place. Our sincere thanks to you, Mr. George Wood.

Cast thy bread upon the waters; for thou shalt find it after many days.

Our life is like some vast lake that is slowly filling with the stream of our years. As the waters creep surely upward the landmarks of the past are one by one submerged. But there shall always be memory to lift its head above the tide until the lake is overflowing.

It is the endeavor of educators to try to instill into the minds and bodies of boys and girls that there is a place for each of us in this world. Each must attempt to mold himself to be the best citizen that is in his power so that he is a benefit to himself and his country.

## THE ABIDING LOVE

It singeth low in every heart,  
We hear it each and all -  
A song of those who answer not,  
However we may call;  
They throng the silence of the breast,  
We see them as of yore -  
The kind, the brave, the sweet,  
Who walk with us no more.

"Tis hard to take the burden up  
When these have laid it down;  
They brightened all the joy of life,  
They softened every frown;  
But, oh, 'tis good to think of them  
When we are troubled sore!  
Thanks be to God that such have been,  
Although they are no more.

More homelike seems the vast unknown  
Since they have entered there;  
To follow them were not so hard,  
Wherever they may fare;  
They cannot be where God is not,  
On any sea or shore;  
Whate'er betides, thy love abides,  
Our God, forever more.

# STUDENT COUNCIL

The Student Council of R. C. S. was founded in 1952 and is now a member of the NYSASC and also of the NASC.

The organization and activities of our Student Council provide means whereby students may practice in situations meaningful to them, the things that good citizens do.

Another Student Council function, perhaps of somewhat lesser importance, is that of assisting the administration in managing the extra curricular programs. It also is in charge of the sales of tickets at ball games.

This group is uncelebrated but is growing stronger each year with the assistance of the student body, faculty, and administration.

## NATIONAL HONOR SOCIETY

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and to develop character in the students of America's secondary schools.

The emblem is a keystone on which is superimposed a flaming torch. The keystone is the symbol of character; the flaming torch symbolizes the light of knowledge. At the base of the keystone are the letters C., S., L. and S. which are the initial letters of the words Character, Service, Leadership and Scholarship.

He who would search for pearls must dive below.

## THE NATIONAL JUNIOR HONOR SOCIETY

The National Junior Honor Society is based on the principles of citizenship, character, scholarship, service, and leadership. Students in the seventh, eighth, and ninth grades who maintain these standards are eligible for membership. The members, chosen by the faculty, are inducted into the National Junior Honor Society at an annual assembly.

In this manner, honor and recognition are given to those who strive to make their school better through the creed of this organization.

## THE USHER'S CLUB

One of the more outstanding organizations of Ripley Central is the Usher's Club which handles all of the major school activities. These include: Senior and Junior Plays, Christmas and Spring Concerts, and Senior Commencement exercises.

The Usher's Club is made up of two girls and two boys from the Sophomore, Junior, and Senior classes. They are initiated at Ripley Central's annual Awards Assembly.

Each year all of the ushers work together on a money-making campaign to buy the departing seniors sweaters. This is a custom which is to be carried on by every Usher's Club in the future.

They also serve who only stand and wait.

ROW ONE: J. Shields, F. Caddis, Mrs. A. Bentley, J. Smith. ROW TWO: M. Hurlbut, S. Smith, G. Osborne, L. Stebbins, P. Pierson, J. McCutcheon, E. Diaz.

## FUTURE TEACHERS OF AMERICA

Ripley's Laura H. Johnson F. T. A. Club joined the ranks of Future Teachers of America Clubs all over the nation in February of 1958. Since then it has continued as an organization offering great opportunities in preparation for a teaching career.

One of its chief aims is to acquaint prospective teachers with the responsibilities and opportunities of the teaching profession. The club allows interested students to work in the classrooms with the children and the teachers, which is very good first-hand contact with all the intricacies of teaching. Ripley's F. T. A. Club is open to students from the ninth through twelfth grades and is a truly worthwhile activity for prospective teachers.

## SENIOR HIGH GIRLS CHOIR

In the school year of 1962-63, the Senior High Girls Choir has done its share of work and offered much entertainment. Singing was our pleasure during the year. Through the blizzards of the Christmas season came the sounds of a successful Christmas concert. When Christmas left us in the snowy wake we were lifted towards the New York State Music Festival competition of May 10.

On this day we left for Dunkirk excited about our part and the Prom that night. The resulting judgement was a "B". A week later, May 17, our voices could be heard throughout the halls of R. C. S. in the Spring Concert. We feel our year was eventful and successful. We owe our success to our director, Mr. C. Neckers.

## MEN'S GLEE CLUB

In 1962-63 the Men's Glee Club gave out with a voice of singing in the Minstrel Show, Christmas Concert and the Exchange Program with Sherman where they were warmly congratulated.

They also appreciated the time and effort Mr. Neckers has given to improve their voices. He has done a tremendous job.

## SENIOR BAND

The Senior Band, under the direction of Mr. L. Wood, is an active organization at R.C.S. During the school year the band performs at many assemblies, concerts and football games.

This year the band presented two assemblies for the student body and also the annual Christmas concert. On May 11th the band traveled to Dunkirk to participate in the All State Music Festival. During May, the band marched at the Clymer Tulip Festival and at a hometown Memorial Day Parade.

Presently there are fifty-three band members. Each member is required to practice eighty minutes weekly during the school year. The awards assembly saw all the Seniors and Sophomores who marched with the band receive letters.

## FOOTBALL TEAM

The 1963 football season at R.C.S. was successful. It was better than statistics show.

Homecoming was an important event in R.S.C. Aside from the fact that it was our first win against Forestville since eleven man football, we also had the excitement of the crowning of Homecoming king and queen.

The two Seniors honored were Linda Schrock as a lovely queen and Mike Torrance as our handsome and genial king. Joan Caldwell, Gretchen Caldwell, Sandra Swoger and Ellie Diaz made a charming court. Each under class also had princesses to add to the gala event.

Although the 1963 Eagles ended on a losing note, many exciting moments can be recalled by the fans and players. The Eagles captured four of the eighteen starts. These four were Mayville, Forestville, Clymer and Dunkirk. Ripley created the biggest upset in the county by overcoming Forestville.

Chautauqua, second best in the county, was struck with fear by a fired-up Ripley team. Until the closing minutes Ripley had the lead, but Chautauqua came back fiercely putting the Eagles down at the end by eight points.

The Eagles hope to better their record next season with three returning lettermen.

## JUNIOR VARSITY BASKETBALL

The "Eaglets" did not fare too well on the hardwoods, but did have their moments. The most vivid of theirs was a smashing fifty-two to fifty victory over Forestville, one of the top notch teams in the league. Two victories over Brocton rank next; one of these was a blistering forty-nine to twenty-four.

With new talent on the way up the future of "Eaglets" should be a bright one.

## VOLLEYBALL TEAM

Under the leadership of Coach Johnson the Ripley Eagles' Volleyball team did it again! For the fifth time in the last six years they are claiming the Chautauqua-Cattaraugus County Sectional Championship. Also in the last six years the volleyball team has only lost two games.

Last year the Eagles defeated Little Valley; again this year in competition with the same school we were victorious.

Tennis is a growing sport at R. C. S., and each year under Coach Johnson it improves. Next year, with the same team returning with the exception of Bob Forbes, a better year is expected.

Ronnie Tefft, Tom Brown, and Harry Sinden earned letters this year. Ripley finished first in the county giving them the County Tennis Championship.

Expert predictions for Ripley's baseball team in '63 placed us at or near the bottom. But with the determination of our coach Mr. R. Hiwiler and the natural inborn fight of Ripley teams we came near to the top of our section. With eight wins and four losses in and out of the league we reached the finals losing in a good fight, score of four to one to Mayville.

Next year we hope to keep our lead and perhaps win the coveted Section VI Championship.

With hard playing Seniors M. Torrance, R. Eimers, G. Feiss, J. Garske and J. Parks leaving, we hope to bolster next years team with a backlog of players including B. Hawkins, T. Hawkins, G. Mulson, R. Roggenbaum and C. Utegg.

# CHEERLEADERS

The cheerleaders of 1962-63 at R. C. S. led what they felt was a very successful campaign in bringing friendly relations about with other schools.

We were proud of all those who attended our games and conducted themselves in a good sportsman way. We built school spirit with our posters and pep-rallies; we won many friendships at our dances after the games. We, the cheerleaders, had a successful year, and we hope you feel as we do.

## RIPLEYETTES

The Ripleyettes have come a long way from their beginning in 1959. The girls have marched in many parades and have proven their ability to perform as a precision unit. In the future, as has been in the past, they will continue to demonstrate their skill, enthusiasm and originality as they represent their school.

Under the capable leadership of Gretchen Caldwell the Drill Team in 1962 won awards at the following events: Forestville Firemen's Parade, North East Cherry Festival, Clymer Tulip Festival, Stockton Firemen's Parade, and Chautauqua County Fair in Dunkirk, New York.

# FOREIGN EXCHANGE STUDENTS

J. Johnson, J. McCutcheon,  
C. Proctor, E. Diaz B.

In 1962 Ripley launched itself into the rapidly growing student foreign exchange program. Under the auspices of the International Fellowship, R.C.S. sent three students to South America for three months and received one South American student for nine months. The three students were Janet McCutcheon, who stayed in Lima, Peru; Jay Johnson, Quito, Ecuador; and Connie Proctor, Cordoba, Argentina. Eleanor Diaz B., whom we fondly call "Ellie", came from Bucaramanga, Colombia. Nelly Mendez M., a "sister" of Janet, came to the United States as a "family exchange" and will be here five months.

Because of its tremendous success, the student exchange program will be continued in 1963. Linda Proctor and Carol Johnson have been selected as our Ambassadors to South America and in return we will receive their student.

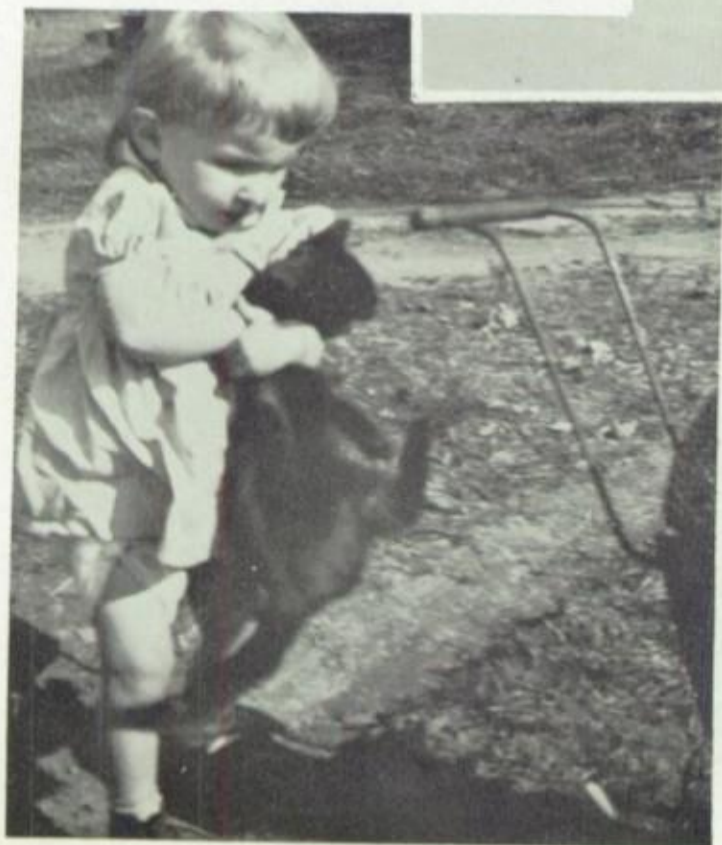

As a result of participating in this type of foreign exchange program, the community of Ripley has become acquainted with customs and people in our South American countries. We have begun to more fully understand the likenesses which bind our two continents together.
